## Details of destination Holding/Event

BAS Herd Letters.....  
 CPH.....  
 Name.....  
 Address.....  
 .....  
 .....  
 Tel:.....  
 Current Parish testing interval.....

I confirm that the alpacas named below/overleaf are in good health and have not been in contact with any livestock with, or on a holding that has, any known health risks (e.g. bTB, BVD,Johnes, coccidia, liver fluke, mange) to the best of my knowledge.

I confirm that we have never refused any official request to skin test for bTB.

I confirm that our holding is not currently under movement restriction.

I confirm that we abide by the BAS Code of Conduct, Biosecurity - Tuberculosis

I am the owner/agent acting on behalf of the owner named above.

Total number of alpacas moved..... Date.....

Print name..... Sign.....
